**CAUSATIVE GET AND HAVE**

- This form is used when someone does something for us.
- It is formed this way:
  - **GET** + person + to + verb (base form)
  - I *got my brother to fix* my car
  - She *gets the teller to help* her with her account.
THIS IS WHAT HAPPENS WITH HAVE

• Have + person + verb (notice NO "TO")
• I am having my father help me with my stuff.
• I didn’t pay to have someone tell me what to do.
GET/HAVE + OBJECT(THING) + VERB PAST PARTICIPLE

• This form is a type of passive form, meaning “something is done by someone”
• Here are some ideas:
  • I always get my hair cut professionally
  • She usually has her house cleaned by Maria
